AUDITOR'S REPORT

Richmond, N.H. 03470
January 28, 1982

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

Gentlemen:

We herewith submit our report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1981. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds were carefully verified and checked. Accounts of the Richmond Public Library have been audited separately.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show that liabilities exceed assets by the sum of \$29,135.77 for the year ended December 31, 1981. There was a net surplus of \$27,040.03 in 1980. The deficit in 1981 is mainly funds allocated for bridge repair which have not been raised.
2. The Statement of Appropriations and Expenditures shows a net overdraft of appropriations amounting to \$4,952.49 in 1981, brought about by large overruns in town road maintenance and legal expenses. In 1980, there was a \$5,945.26 net unexpended balance of appropriations.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of \$4,378.73; in 1980 the surplus amounted to \$1,130.98.
4. The Budget Summary indicates a net Budget deficit of \$573.76 for 1981.
5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds, Revenue Sharing and the Fire Department Equipment Fund have been summarized and tabulated.
6. The special Revenue Sharing Report which is required by the Department of Revenue Administration of the State of New Hampshire must be published in the Town Report.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt,

disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of our knowledge and ability. All Town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of our audit.

CERTIFICATION OF AUDIT

We hereby certify that we have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1981. In our opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

Our thanks are gratefully extended to the Town Clerk and Town Treasurer for their helpful cooperation during our examination of their books and records. We sincerely appreciate their patience and forbearance while the audit was in process.

Very truly yours,
Stanley F. Bartram
Margaret J. Bartram,
Auditors
Town of Richmond, N.H.

SELECTMEN'S REPORT

The year 1981 brought many changes for our town. The State finished one of our main highways through Richmond, Route #119, east and west. The Fire Station took on a new look with the addition of another overhead door in order to house the new Rescue Vehicle. The Selectmen have appointed a new Police Chief. Richard Bigda has accepted the position.

This year the Selectmen have met several times with the State Civil Defense Agency and the HMM Consultant Group to finalize an Emergency Evacuation Plan for the Town of Richmond in case of a nuclear disaster or any type of emergency which would require evacuation of townspeople. A drill was planned for February 18, 1982 to test this plan and the communications systems.

We held one public, open meeting to receive input and discuss the probabilities of having our town re-evaluated. This seemed to be of interest to many citizens last year and we felt we should follow through with more information and discussion this year. Mr. Edward Green, appraiser from

Keene, N.H. was our guest to answer questions from the public. More discussion and a vote will take place Town Meeting night.

As everyone realizes, we have had a real "Olde New England" winter this year. We feel the roads have been kept open and treated as well as can be expected considering the elements we have had to work with, but of course this has taken quite a bite out of the budget.

Our thanks to all citizens who have given of their time this year to work on committees and departments for the betterment, protection and safety of our town.

Respectfully submitted,
Dana A. Taylor, Chairman

BEACH COMMITTEE REPORT — 1981

Several loads of sand were added to the beach this past summer and all the picnic tables were repaired and painted. They are being stored in the town shed for the winter. This will put a stop to the tables being taken apart and the wood burned during the off season. It has very been very difficult to stop the late night drinking parties at the beach that the people in the cabins have complained about. Almost every morning beer bottles had to be cleaned up and the broken ones taken out of the fireplaces. The people who occupy the cabins continue to fill the garbage containers adding to the expense of removal of trash which has to be done more often. We have had several complaints of young children at the beach, during parents working hours, being generally pesty riding bicycles in and out of the people and spreading sand on them and their belongings. The ring buoy was removed and we had to purchase a replacement.

This year we would like to improve the fireplaces and make the swimming area larger with the ropes to go all the way across from north edge to south edge and Mr. Blood has put several loads of fine sand in the water on the south edge, which was muddy.

People drinking soda or beer on the beach are leaving caps and flippers in the sand resulting in several people cutting their feet. In the past, people had more pride in the beach, but this past year we have noticed when they leave they are not cleaning up their area, leaving rubbish behind. We are still having a problem with people bringing dogs with them and letting them

roam around leaving messes on the beach which is disgusting, and when asked to put the dog in their vehicle, they get very upset.

We will be allowed to open the beach again this year without employing a life guard, but have been informed that probably the next year this will be mandatory. If this is necessary, we will also have to purchase a portable radio for communication with Mutual Aid in Keene. The beach is open from Memorial Day to Labor Day. Please enjoy it and help keep your beach clean.

Jane Jillson

LIBRARIAN’S REPORT

The circulation figures have risen slightly over the past year and this is partly due to the record collection added to the library. Thanks to money from the Mary Stearns Fund (voted at last Town Meeting) and various donations, the Library has a wonderful audiovisual collection. In addition, we now have several cassettes, two cassette players, a 16mm projector and record player with headphones. This is an excellent collection for our size library and for any further information on use of these materials, please contact me.

We also have begun a vertical file containing pamphlets on a wide range of subjects from appletree growing to cooking to travel. We also have begun a backfile on local history and New Hampshire.

The Library was very busy throughout 1981 with a variety of programs. Two “Saturday Afternoon Specials” were held in the spring.

both craft programs taught by Jean Tandy and Barbara Rogers. Our special thanks to both Jean and Barbara for donating their time and materials.

On July 4th the library was a beehive of activity with a book sale, films for children, the town quilts were put on display and Archives was opened to the public.

July 14th the Little Red Wagon visited Richmond with their magic show and they were sponsored by Richmond Recreation Committee and the Friends of the Library.

The Space Shuttle Reading Program took off on June 20th and landed safely with a trip to the Worcester Science Center for all children who participated in the program. The program was a great success and thanks to all who helped in the program's success.

We were also able to show several full length Disney films courtesy of Camp Takodah. These programs were a great hit with 20 to 40 children attending each showing. Our thanks to Camp Takodah.

Throughout the year in trying to build our book collection, we have been able to substantially increase our collection in two areas—art and science. We now possess updated and beautiful works in both areas due in large part to donated materials. Thanks to those of you who have been so generous with donations. We will continue to build our collection with emphasis on other areas in this coming year.

In closing, I would like to say thank you to all of you who have donated periodicals, books to the Memory Shelves, the regular shelves, records and other materials. Also, just as important, thank you to all who have donated their time to make our programs successful.

The hours for the library are Tuesday, 3:00-8:00 p.m. and Saturday, 2:00-5:00 p.m. and I look forward to seeing all of you in the coming year.

Suzanne Whittemore,
Librarian

LIBRARY TRUSTEES REPORT — 1981

The library has been a very active place this year with a sizable increase in patrons and books circulated. Richmond continues to be among the towns with the highest book borrowing rates. This doesn't sound like much, but it says something important about our town. The library must be filling the needs of a large variety of interests. If you are not aware of the

expanded collections that Suzanne has been working on, drop around and you will be pleasantly surprised. Suzanne Whittemore and Norma Thibodeau, by the way, were reappointed librarian and archivist respectively.

We are very grateful for all the gifts that interested townspeople have made. Two large gifts are particularly noteworthy. A \$200 donation by Clifton Johnson and a \$2,000 gift by Edith Atkins were accepted and trust funds set up. The interest from these trusts is to be used for special book purchases.

Although we have reduced the gallonage of oil used to heat the library over the past few years, the cost per gallon continues to rise. Rising utility rates have also impacted on this year's budget request. All other items are the same as last year. As you will recall, last year we had a 15% decrease in our budget. This year we feel we will need a 5% increase to meet heat and utility needs.

Many organizations now use the library for meetings. The trustees have encouraged this because it maximizes the use of the facility.

We wish again this year, to express our gratitude to all those who support the library and its programs and who are helping to make it a center for cultural and educational development.

Respectfully submitted,
Joseph G. Thibodeau, Chairman

FAMILY AND MENTAL HEALTH SERVICES

The Winchester District Office of Monadnock Family and Mental Health Services is located at Kulick's Mall in Winchester. It provides counseling services to the residents of Richmond, Hinsdale and Winchester. The office is staffed by four professionally trained counselors and a part-time psychiatrist.

Counseling services are provided to adults, adolescents, children, and for family and marital problems. In addition, the staff conducts education courses on parenting skills, work with teachers and students at area schools, and provide psychiatric advice and assistance to other community services.

Last year seventeen residents of Richmond utilized our services. We have a Citizens Advisory Board to assist us in planning for services. Your representative is Irene Baker.

POLICE DEPARTMENT REPORT

During the past year we have had quite a few break-ins. Most of these have not been too serious. We did have to call in the Sheriff's Dept. on several of these. There were a number of accidents and calls to assist motorists with breakdowns. We also assisted Winchester, Fitzwilliam and Swanzey with calls to accidents, etc.

Early last fall we did have a serious call to an airplane crash on Taylor Hill near the radio tower to assist the Sheriff's Dept., State Police and Civil Air Patrol. Two people were killed. Officers of the department spent at least 1 & 1/2 days at the scene.

During the summer, Tim Brewer joined the Department. To be certified Tim Brewer went to school this fall. He is now certified along with Donald Jarvis and Richard Bigda.

During the middle of January, 1982, Richard Bigda was sworn in as Police Chief as I have been acting Chief for the last four years.

FIRE DEPARTMENT REPORT

The Fire Department has been very fortunate this year. We have had very few fires, one small structure fire on Bullock Road, several small grass and brush fires and a dozen chimney fires.

Last summer we tested all our fire hose and found that we had some that was in very bad shape and we broke a dozen or so 50 ft. lengths. Some of this hose was 25-30 years old. We had to buy 1000 ft. of new hose, 500 ft. 2½" and 500 ft. 1½".

During the summer the Rescue Squad purchased a Ford Van to use as a Rescue Vehicle. This is now parked in the Fire Station which was remodeled. We put in a new overhead door, took out a small wall where the meeting room was and put in a new side entrance. This work was mostly done by some of the firemen and rescue squad members.

We have five or six dry hydrants that have to be repaired this coming year. We wanted to do them last summer but the water level did not get low enough to work on them.

There were sixteen members of the Fire Department and Rescue Squad that attended the fire training and vehicle rescue school last spring and fall at Meadowood Training Center.

At this time I would like to thank Swanzey, Winchester, Fitzwilliam and Meadowood for their help during the past year.

Respectfully submitted,
Robert Van Brocklin,
Chief

FIRE DEPT. RESCUE SQUAD REPORT

The Richmond Fire Dept. Rescue Squad was established in the fall of 1979 with 13 members. Requirements to be a member are C.P.R., Advanced First Aid and an Ambulance Attendent's License.

Current membership is 17. There are 9 EMT's who have had 100 hours of class time and 10 hours spent in the Emergency Room at the hospital. Five EMT's are members of the Winchester Ambulance and are now awaiting classes in advanced life support. Our Advanced First Aiders

have just completed a 15 hour course to update their requirements for the state.

The Rescue Squad has meetings and training every 3rd Wednesday of the month. We also have had drills and simulated auto accidents, water rescue, airplane crash, snowmobile accident and a chainsaw accident. Other training includes vehicle rescue, trench rescue, defensive driving practices, child abuse and drug seminars.

We have responded to over a dozen calls in 1981, we also respond with the Fire Dept. to all fires.

Through monies raised by raffles, bake sales, a dance, pie sale, coffee and doughnut donations (Town Meeting Night) along with many generous donations, our squad has been mostly self-sufficient.

We purchased our Rescue Van through donations from the M.R.H.S. Class of 1976 in memory of Keith Brewer.

If an emergency should arise, please dial 352-1100 first! This will ensure you that the proper services can be dispatched the quickest way possible to your location.

Report of the RICHMOND CONSERVATION COMMISSION

To the Selectmen:

The following is a statement of the activities of the Conservation Commission for the year ending December 31, 1981:

1. The Commission has conducted its regular business as usual and has held numerous work meetings as were necessary.

2. Luckily, there was no serious outbreak of aquatic weed pollution at either Sandy Pond or Cass Pond.

3. Because of the late date of the Richmond Town Fair, the Commission did not set up the usual information booth but plans on a renewal in the future.

4. At the request of the Planning Board, the Commission made an on site investigation of one subdivision to ascertain the effect of the subdivision on a wetland area and a small brook which is a tributary of Tully Brook.

5. The Commission purchased a Solar Site Selector, which is an instrument used to locate the most auspicious spot for the installation of a solar heating system. It is for the use of anyone interested and Commissioner Tandy would be happy to help select a site for anyone interested in installing a solar heating system.

6. The Quaker Cemetery was mowed and cleaned up as usual.

7. The firewood-cutting project in the Town Forest is being postponed

until the Commission has an opportunity to mark the timber to be cut in the timber sale approved last year. The marking is about two thirds done and after the timber sale, the tops and the marked cordwood can be removed at the same time.

PLANNING BOARD REPORT

A recent decision to a one and one-half year old suit emphasizes the necessity for the planning board to be circumspect when acting upon subdivision applications.

Using what the board considered adequate information upon which to base a denial, the court vacated its decision and remanded the application back for further review and rehearings. The court found the Board's decision "unreasonable as predicated upon errors attributable to unwarranted and unsupported assumptions."

It seems that board members at the time erred by concluding mainly on personal observations and judgements as had been the practice in the past. In the future, the board must seek and rely heavily upon the testimony of experts.

Throughout the year work has progressed on a community master plan with assistance of the Southwest Region Planning Commission. It had been hoped that the plan would be ready for presentation at Town Meeting but the board became involved in other affairs.

Amendments to the Zoning Ordinance have been placed on the ballot and their passage is recommended by the board. Subdivision regulations are also in the process of being revised and updated and will be presented soon at public hearings.

RECREATION COMMITTEE REPORT

The Richmond Recreation Committee has finished out another year. As in past years, our main focuses were children's entertainment and activities.

The summer began with swimming lessons for children of all ages. A small party was given to the participants.

Day Camp again was successful. Approximately 32 children attended. Sports, arts, games and an overnight were part of the activities.

The Little Red Wagon Magic Show visited the children of Richmond. The Friends of the Library co-sponsored the visit.

Many townspeople participated in a Community Flea Market on July 4th. Children's games and entertainment were provided.

On Labor Day, the Recreation Committee organized the parade, children's games, and musical entertainment.

On Halloween, there was a party with about 50 children attending.

The Christmas Party was a holiday delight. About 32 children sang carols, trimmed a tree, saw Santa, and had refreshments.

There was an adult party on New Year's Eve which included taped music, an 11:00 buffet, hats, horns and munchies.

A Pot Luck Supper and Game Night is planned for 1982.

We would appreciate your continued support in sponsoring activities in Richmond.

Many thanks to all of the people who help to make the Recreation Committee a success.

Respectfully submitted,

Kim Doubleday, Director

Alison Van Brocklin, Sec.-Treas.

CEMETERY COMMITTEE REPORT — 1981

A special thank you goes out to members of Richmond's Boy Scouts. As a project this year, they went to the Benson Cemetery, off Fish Hatchery Road, and cleared brush. We appreciate their efforts and help very much.

The name plate on the large cross in South Cemetery was removed this past summer. We don't know why or by whom and some of the flag holders were also missing when we put the flags out for Memorial Day.

Our concentration this year will be the fence lines and the overgrowth

of shrubbery on individual graves which is getting out of hand. Some have grown so large as to completely cover the gravestones and should be trimmed back. Some of the large trees need to be trimmed or cut down. We will have someone look into this as the trees are dying and large branches dropping could break some of the older, more fragile gravestones.

Respectfully submitted,

Harry Bennett

Report of the SOUTHWEST REGION PLANNING COMMISSIONERS

Richmond is a long standing member of the Southwest Region Planning Commission.

The commission delivers a diversity of services which are not provided by any other agencies—federal, state or local—at comparable costs.

Historically, the commission has fostered trust and credibility by responding to the requirements and problems of the town at the local level. The commission has a proven and demonstrated capability for assessment and implementation of policies, programs and plans, both local and regional.

Value which Richmond has specifically gained through its membership in the Southwest Region Planning Commission includes:

- Continued assistance toward the completion of a comprehensive plan to guide the future development of the town.
- Technical assistance in planning, zoning and development matters, including review and recommendations for change of zoning and subdivision regulations, and review of the conformity of subdivision proposals with local land use regulations.
- Access to seminars and workshops conducted by the commission to help keep abreast of new and changing conditions, laws and court decisions relative to planning and development matters.
- Review, evaluation and interpretation of new legislation at both the federal and state level, assessment of its impact, and recommendations concerning appropriate local actions.
- Involvement in responding to the state's new solid waste legislation.
- Opportunity to take advantage of the commission's circuit rider administrative assistant program, computer capability, and collective

purchasing program which joins towns together for bulk purchasing at considerable savings.

The commission has been considerably challenged to develop an operating budget for fiscal year 1982 in light of increased inflation and severe reductions in federal and state funding. The proportionate dues assessment to Richmond, developed on a per capita basis, is \$462 for the coming year.

Richmond should continue to support and participate in the activities of the Southwest Region Planning Commission and look ahead to continued years of pleasant association.

Respectfully submitted,
William Pearsall
Biff Mahoney

SUMMARY OF RESULTS FROM MASTER PLAN SURVEY

Two hundred sixty-five master plan survey forms were distributed to Richmond residents. Of these, 249 completed "opinionnaires" were returned, a 94% response. This is a remarkable achievement in which the Planning Board and Citizens Advisory Committee thank all of you for your whole-hearted cooperation in making this survey a real success. Forms were also sent to non-resident taxpayers, 117 of whom replied.

In the following tabulated results, resident and non-resident replies to each statement are listed in that order under the categories: SA—Strongly Agree; A—Agree; NO—No Opinion; DA—Disagree; and SDA—Strongly Disagree. Weighted Averages (WA) are given for resident and non-resident responses; these were calculated as follows:

$$\frac{(SA \times 1) + (A \times 2) + (NO \times 3) + (DA \times 4) + (SDA \times 5)}{\text{Total Replies}}$$

Values less than three indicate general agreement with the statement, values more than three indicate general disagreement. The more the weighted average diverges from the median value of 3, the stronger the agreement or disagreement. However, a $WA = 3.0$ **does not** necessarily imply "No Opinion." For example, although there were strong feelings both for and against having our own elementary school, Statement #19 has a WA which is very close to three.

"Comments" on the "opinionnaire" by Richmond townspeople have been copied and bound; they are on file in the reference section of the Library. "Comments" of non-residents will be added later. We encourage

you to stop in at the Library to read them. The time and effort taken by so many residents to express their ideas and suggestions is appreciated. These "Comments" are thought-provoking and have been very helpful in developing guidelines for the Richmond Master Plan.
